Privacy statement

Horses for Good collects and uses personal information provided on this referral form to assess and manage participation in our equine wellbeing sessions, support the safety and wellbeing of participants, communicate with referrers and meet our legal and safeguarding responsibilities.

We only collect and use information that is relevant and necessary for these purposes. Where appropriate, this may include information about health, disabilities, additional needs and safeguarding. This information is handled securely and access is limited to people who need it for their role.

We may share information with relevant professionals, emergency services or safeguarding authorities where this is necessary to protect a participant or another person, or for legal requirements.

We retain information in accordance with our Data Retention and Disposal Policy.

You have rights in relation to your personal information under UK data protection law. Our full Privacy Notice explains how we collect, use, store and share information and how you can exercise your rights.
